Valid device versions and formats:

For current web browsers, IOS (currently from version 8.0 / iPad Air) and Android (currently from version 6.0)
Supported are mp4, mov, jpg, jpeg, gif, png, pdf

Terms of payment:

Annually in advance on account for all users in the system. After one year, the fee will be recalculatad if the number of users has increased or decreased during the year. The amount of the recalculation depends on the amount the customer would have had to pay at the beginning of the year for the maximum of users available in the year in question. Here does not matter how long the number of users was exceeded.

Terms of use / notice period:

Term 12 months, notice period 6 weeks before expioration of the term, then rene-
val for another 12 months.
